The Idaho Cybersecurity Interdependences Summit will be the fifth event in a multi-year initiative. The Idaho Office of Emergency Management and the Pacific Northwest Economic Region’s Center for Regional Disaster Resilience are collaborating to develop public/private sector partnerships for resilience in the state of Idaho. The 2019 Summit will be held April 29, 2019 at the Riverside Hotel in Boise, Idaho.

The series has expanded cybersecurity capabilities of small business, government, and large industry throughout the State of Idaho. The 2019 summit will increase cybersecurity resilience through collaboration amongst all stakeholders.

**THE ISSUES**

- Development of cyber incident response plans
- Emerging cyber threats
- Identifying cross-sector interdependencies
- Communication and collaboration to build cyber resilience
- Building a diverse IT workforce

**THE PARTICIPANTS**
