# THE IDAHO CYBERSECURITY INTERDEPENDENCIES SUMMIT

The Idaho Cybersecurity Interdependencies Summit will be the fifth event in a multi-year initiative. The Idaho Office of Emergency Management and the Pacific Northwest Economic Region's Center for Regional Disaster Resilience are collaborating to develop public/private sector partnerships for resilience in the state of Idaho. **The 2020 Summit will be held April 30, 2020 at the Riverside Hotel in Boise, Idaho.**

The series has expanded cybersecurity capabilities of small business, government, and large industry throughout the State of Idaho. The 2020 summit will increase cybersecurity resilience through collaboration amongst all stakeholders.

**Over 300 public/private critical infrastructure operators participated in the 2019 Summit to explore best practices and share resources.**

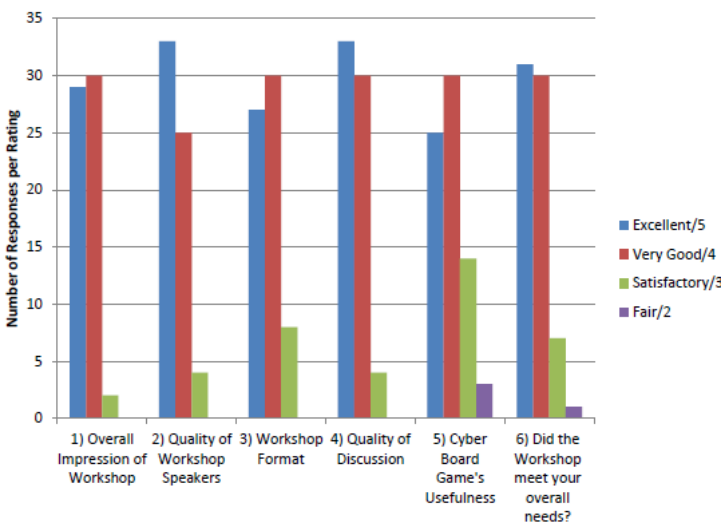

## THE ISSUES

- Development of cyber incident response plans
- Emerging cyber threats
- Identifying cross-sector interdependencies
- Communication and collaboration to build cyber resilience
